

Book Reports!

This year you will be required to read 4 books and complete book reports for each book. You must read 1 book each quarter and complete the following checklist. If you would like to do a 5th book report for extra credit, you may. The extra credit book report must be handed by May 16, 2018 and must follow the guidelines below. You may pick whatever activity you'd like for the extra credit book report.

What you need to do each quarter:

1. Pick a book from the school library that you have never read before.
2. Bring the book to Mr. Ohlmann for approval.
3. Read the book.
4. Complete the book report form.
5. Complete the activity for each school quarter.
 - a. 1st Quarter: Write the first chapter of a sequel to the book you read.
 - b. 2nd Quarter: Write, record, and produce a 30 second TV or radio commercial for your book.
 - c. 3rd Quarter: Write an essay telling whether or not you believe this book will be read 100 years from now. (See Mr. Ohlmann for word count)
 - d. 4th Quarter: Write a letter to the main character and the character's reply.

You are responsible for completing all the requirements throughout the year. Each book report is worth 50 points towards your reading grade. If you do not complete a book report during a school quarter you will receive a 0.

Note to parents: Book reports are intended to be independent activities for students with parental help as needed. I will help children pick out books and remind them when book reports are due but I would like the majority of the work to be done independently by the students.

Thanks!
